

ANNOUNCEMENT FOR THE OPENING OF AN INTERNATIONAL SELECTION TENDER PROCEDURE FOR PhD HIRING

PURSUANT UNDER DECREE-LAW NO. 57/ 2016 OF 29 AUGUST

Internal Reference: POCI-01-0145-FEDER-031304

1. Framework

The Rector of Universidade Católica Portuguesa, Prof. Isabel Capelo Gil deliberated the opening of an international selection tender for one vacancy of PhD Researcher to perform, in an exclusive dedication, the exercise of scientific research activities, in the scientific area of Conservation and Restoration of Cultural Heritage to be developed in the CITAR – Research Centre for Science and Technology of the Arts, located at the School of Arts of the Catholic University of Portugal (UCP), at Porto, under the project “Abordagem multidisciplinar à aeração, alterabilidade e conservação da obra escultórica geomaterial de Soares dos Reis: reavaliação de paradigmas museológicos e criação de valor para sociedades em mudança, através do Património Cultural”. It is financed by Operational Program for Competitiveness and Internationalization, in its FEDER component, and the Foundation for Science and Technology, in its State Budget component (OE).

This project, will run until May 31, 2021, has as main objectives: the study of António Soares dos Reis geomaterial sculptural artwork, in a multidisciplinary perspective towards to the characterization of its condition, artistic and technical production, as well the parameterization of analytical procedures applicable to the study of other Portuguese sculpture collections belonging to national museums, on plaster, stone and terracotta support. This project is framed both on the pre-eminence of knowledge transfer among scientific areas auxiliary to Conservation -Restoration, both on the creation of added value, based on the recognition of cultural heritage as source of inspiration to the conception of new products in order to answer to the XXI century museum publics requirements

2. Applicable Legislation

Decree-Law no. 57/2016 of 29 August, modified by Law n. 57/2017, of 19 July which approved the doctorate hiring regime to stimulate scientific and technological employment for all knowledge areas (RJEC) without prejudice to the specific regulations applicable to the Portuguese Catholic University.

3. Workplace

The workplace is located on the premises of the Universidade Católica Portuguesa at Porto.

4. Remuneration

Gross monthly remuneration to be paid is 2.128,34 € plus meal allowance. To these amounts are added annual holiday and Christmas allowances.

5. Admission requirements

Applicants may be national, foreigners and stateless candidates who hold a PhD in Conservation of Cultural Heritage

Financiado por:

Candidates must hold a scientific and professional curriculum whose profile is suited for the activity to be performed. If the PhD has been awarded by a non-Portuguese higher education institution, it must comply with the provisions of the Portuguese law on registration/recognition of foreign degrees, for this purpose, the one described in point 10 of this Notice must be considered.

6. Selection process

The selection process should comply with Article 5 of the RJEC.

7. Evaluation criteria

Assessment criteria, as indicated in the previous point:

- a) Recognized experience in the field of analytical techniques applied to the diagnosis of conservation of cultural goods in national laboratories dedicated to the study of cultural heritage, and framed by a conservation and restoration basic training;
- b) experience in participating in multidisciplinary research projects as well as in the communication and dissemination of science in the field of cultural heritage conservation;
- c) relevant scientific production.

The final classification system of the candidates is expressed from 0 to 100. The value is calculated by weighing each factor as follows, always taking into account that for each item only the activity relevant to the area of the contest will be considered:

1 - Scientific and curricular background (PC) of the last five years considered more relevant by the candidate;

- a) Recognized experience in the field of analytical techniques applied to the diagnosis of conservation of cultural goods in national laboratories dedicated to the study of cultural heritage, and framed by a conservation and restoration basic training: Weighting 40%;
- b) Experience in participating in multidisciplinary research projects as well as in the communication and dissemination of science in the field of cultural heritage conservation: Weighting 40%
- c) Relevant scientific production: Weighting 20%;
- d) Interview (E).

An interview (E) will be given to the candidates who are classified in the first three positions, in order to clarify aspects related to the results of their research. Applicants are asked to make a presentation of 10 minutes, using a digital file in the powerpoint model, in which they exemplify the contributions to this parameter.

Applicants who are interviewed will be assigned a new classification in addition to the initial one that will be based on the following formula:

$$\text{Final classification} = 90\% \text{ PC} + 10\% \text{ E}$$

Financiado por:

8. Composition of the Jury

Pursuant to article 13 of RJEC the jury of the contest has the following composition:

- a) **President**-Eduarda Maria Martins Moreira da Silva Vieira, Assistant Professor at Portuguese Catholic University and Vice-director of the Research Center of Science and Technology of Arts (CITAR)
- b) **1st vowel** – Salomé da Silva Carvalho, 1st class Conservator-Restorer of Soares dos Reis National Museum (DGPC) and permanent researcher of the Research Center of Science and Technology of Arts (CITAR).
- c) **2nd vowel** – Maria João Gagean de Vasconcelos, director of Soares dos Reis National Museum (DGPC).
- d) **3rd vowel** - António José Estevão Grande Candeias, director of Hércules Laboratory and e vice-dean of Évora University
- e) **4th vowel** - Maria Gabriela Góis Ribas Martins de Carvalho, Head of the José de Figueiredo Laboratory Division (DGPC)

9. Deliberation

The jury deliberates by means of nominal votes based on the selection criteria adopted and published with abstentions not allowed. Jury meeting minutes are drawn up, containing a summary of what was discussed, as well as the votes cast by each of the members and respective substantiation. After completing the application of the selection criteria, the jury prepares the ranked list of successful candidates with the respective classification. The jury's final decision is approved by the maximum responsible of the institution who is also in charge of deciding about the hiring.

The ranked list of approved candidates will be posted at the facilities of Universidade Católica Portuguesa at Porto, located at Rua Diogo Botelho, 1327-4169-005 Porto and advertised on the website <http://www.artes.porto.ucp.pt>. Candidates are advised by email of the availability of this list.

10. Prior Hearing and deadline for the Final Decision

After reporting the results, the candidates have 10 working days to issue a decision. The final decision of the selection board shall be given within the next 5 working days, after the candidates' deadline.

11. Application formalization

Applications are formalized by completing the form available at [application form](http://inqueritos.porto.ucp.pt/site/index.php/161748/lang-en) available at <http://inqueritos.porto.ucp.pt/site/index.php/161748/lang-en>

The application is accompanied by the following documents:

- Detailed Curriculum vitae;
- Certificate of completion of the PhD, indicating the date of its completion which must be submitted as an attached to the form referred to in the previous point and following the instructions defined therein;

If the doctorate has been awarded by a non-Portuguese higher education institution it must comply with the provisions of the Portuguese legislation on registration/recognition of foreign degrees, regulated by Decree-Law no. 341/2007 of October 12, Ordinance No. 227/2017 of July 25 and DL nº 283/83 of June 21 and the formalities must be fulfilled until the expiration date of the application. If

Financiado por:

the candidate on the date of expiry of the application has not obtained the document certifying the registration/recognition of the foreign degree, a copy of the proof of the application for registration/recognition emitted from the competent national authority for its issuance may be provisionally accepted. In case the candidate is selected the signature of the contract is conditional on the presentation of the formal document.

Applicants are advised to consult the website of the Directorate-General for Higher Education (DGES) for further information: <http://www.dges.mctes.pt>

12. Term of candidature

The candidates present their application in the terms mentioned in the previous point on 10/09/2018 until 10/10/2018 (5 pm Lisbon time).

Candidates who formalize their application incorrectly or who do not prove the requirements of this competition are excluded from admission to the contest. The jury has the power to require any candidate, in case of doubt, to present documents proving their statements.

Failure to submit any clarifications, information or documents that are requested within 5 working days means the withdrawal of the application

The false statements made by the candidates will be punished according to the law.

13. Privacy Policy

Universidade Católica Portuguesa is the Controller of the processing of personal data according to Regulation (UE) 2016/679 (General Data Protection Regulation).

The personal data processed in the context of this recruitment tender is intended for the preparation of the tender and shall be processed by Universidade Católica Portuguesa with the purpose of verifying compliance, by the candidate, of the requisites established in the legally applicable legislation for hiring. Opposition by the candidate to the processing of personal data will render the admission of the application unviable and, consequently, also of the analysis and evaluation of the application.

When indispensable to comply with the obligations of UCP, the personal data of the Data Subject may be communicated to third-parties, namely the Financing Entities identified in this announcement.

The personal data may be kept for the legally allowed period of five years.

The Data Subject is entitled to oppose to collection and processing, to access, verify, correct, erase and limit the use of the data collected. However, the exercise of such rights may be excluded when the personal data is used to protect the public interest, namely in the detection and prevention of crimes or when subject to professional rules of confidentiality.

The Data Subject has the right of access and portability of the data.

For purposes of exercising the respective rights, contact the Universidade through the e-mail address rgpddesk@porto.ucp.pt or to the address identified at the end of this announcement, through the means identified in "Contacts for clarification".

The Data Subject is always entitled to contact and file a complaint with the Comissão Nacional de Proteção de Dados

Financiado por:

14. Non-discrimination and equal access policy

The Portuguese Catholic University actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, harmed or deprived of any right or exempted from any duty in age, gender, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union membership.

15. Final remarks

The present competition is exclusively destined to fill the indicated vacancy and can be terminated until the homologation of the list of final ordering of the candidates and expiring with the respective occupation of the job on offer.

This invitation to tender and the contract concluded as a result of it will only take effect if financing conditions are fulfilled.

This tender can be canceled when it is deserted; when any case of force majeure occurs; when reasons of a budgetary nature, occurring after the opening of the tender procedure determine it.

The selected candidate will celebrate with the Universidade Católica Portuguesa a researcher uncertain term employment contract (contrato de Trabalho a termo incerto) with planned start at 01-12-2018.
